Gwinnett Swim and Dive Booster Club
E-News

Thursday, January 13, 2011

I received an email this morning concerning the vol opportunity for parents at the state meet. You must go on the website listed below to vol. - It is a first come first serve sign up... I would encourage the gwinnett parents to get on this today if you want to time or work the dive scoring table..... SEE NOTE BELOW:DISTRIBUTE TO YOUR PARENTS to website link Coaches, We are eagerly anticipating a great 2011 GHSA State Swim and Dive meet at the Georgia Tech Aquatic Center February 11-12. For the last 10 years we have been spoiled by the wonderful hospitality of the Westminster team parents. They provided the backbone that was an extremely well run state meet. With our change of venue we will need your help this year, unfortunately the parents group will not be traveling with the meet. We would like to ask for your help in securing volunteers for this year's meet. The primary areas we will need help will be in the areas of timing, crowd control, awards staging, table workers for diving and hospitality. If we could ask your help in communicating this with your swimmers' parents and your booster clubs it would be greatly appreciated. It is an excellent opportunity for them to have a front row seat for the action, as well as help us state a well-run event. We have all attended well run meets and poorly run meets and know which one we would like our state meet to be. To sign up for the meet your parents can visit www.ghssca.com/GHSAVolunteers.asp to reserve their position. There, they can provide some basic contact information, select the job they want, and which session or sessions they can work. Jobs will be available on a first come first served basis. While the pay isn't much to brag about their contribution will be invaluable. All we ask you to do is share this information with your parents so we can go into the meet with all of our positions staffed and guarantee on time start times for each session. Thanks for your help, Franke Marsden Meet Director fmarsden@ghssca.com 404-352-3046 (o) 404-664-3975 (c)

Capital City Sports

Dear Coaches and Team Representatives,

We are extremely excited to be hosting the 2011 GHSA State High School Swimming and Diving Championships at the Georgia Tech Aquatic Center. The swimmers and divers of Georgia deserve to compete for the state title in one of the country's best facilities. With a new facility comes new costs to the meet. We have, however, designed a way your team can help us offset the cost of the meet, as well as raise additional funds for your school's swimming and diving program.

In order to take advantage of this opportunity, please use the following key points as your guidelines for new sales.

- **15% of sales are paid to your team.** All heat sheet ad sales made by your team will result in 15% of the revenue being paid to your team's swimming and diving program.
- **Corporate and personal ads are available.** Advertisements are available for business and personal use, with four sizes available (samples on back). All personal ads will be similar to yearbook style ads.
- **Each advertisement requires a separate order form.** All advertisements are sold individually, with a separate order form required for each different ad.
- **Advertisement deadline is February 1, 2011.** All advertisements must be received by midnight, February 1st, 2011 as a PDF, Illustrator, or Word file.

Please submit each order as you receive them. In order to design the heat sheet more efficiently, we request that you do not hold on to each order, to submit them on the last available day.

For help or questions, please contact Matt Murphy at matt@atlantaswimming.com or 678-463-5678.

Please use the enclosed heat sheet advertisement order form and mail it to the address below:

Capital City Sports
Attn: Matt Murphy
325 Cannady Ct
Sandy Springs, GA 30350

Thanks,

Matt Murphy
