

GHSA Approved Swim Suits  
rev. 1/5/2010

Approved swimsuit list (includes styles from USA swimming 2010 approval list)

NOTE: High school swimming rules are in conjunction with USA swimming rules. All styles abide by specifications listed in USA Swimming rule 102.9 (11/30/09), as well as NFHS Swimming Rule 3-2-2.

1. Swimsuits for men may not extend above the navel or below the knee and for women may not cover the neck or extend past the shoulders or below the knee;
2. No zippers or other fastening devices are allowed except for a waist tie on a brief or jammer; and
3. Suits must be of textile material and must not be made of any rubberized type of material such as polyurethane or neoprene.

Below is the reference list for Allowable Swimsuits, as stated by USA Swimming. Their rule and the NFHS rule regarding swimsuits are, as shown above, the same.
